

American Sign Language For Beginners

A live sign language instructor from [Signing Basics](#) will teach you how to sign basic phrases. You will learn new vocabulary at each session to increase your signing skills. Your virtual sign language course will include:

- ASL Manual Alphabet
- Greetings
- Days of the Week
- Foods and Snacks
- ASL Negations and Affirmations
- Basic ASL Sentence Structure – you will learn to bring together the signs you learned during the class.

This course is taught in four 45-minute classes on Thursdays, May 6, 13, 20 & 27. It includes class handouts and supporting videos of instructors signing the vocabulary you learn during class. Homework will be given and is essential to your success in this class. While the course is designed for adults, teenagers aged 15 and up may also sign up.

The program will be held virtually on Zoom. Sign up at chathamlibrary.org or call the library at 973-635-0603
